

Configuring Your Storeroom

1 Pick a storage system:

Louvered Wall Panels with AkroBins®

Benefits: Gets products off the floor. Several sizes available. Easy to install.

Mobile Louvered Racks with AkroBins®; Single-Sided or Double-Sided Louvered Racks

Benefits: No need to mount panels to walls. Adding a mobile kit makes transporting supplies easy for cleaning, department renovations or remodeling.

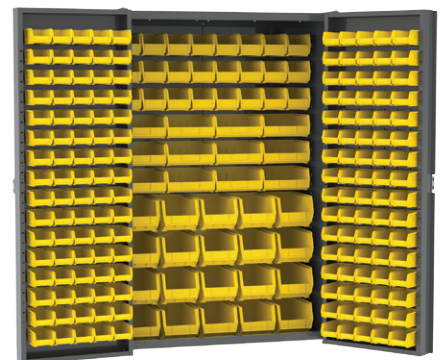

Wire Shelving with AkroBins®, Super-Size AkroBins®, Shelf Bins, or ShelfMax® Bins

Benefits: Many sizes, combinations and colors of bins available. Perfect for holding bulkier, heavier items or large quantities.

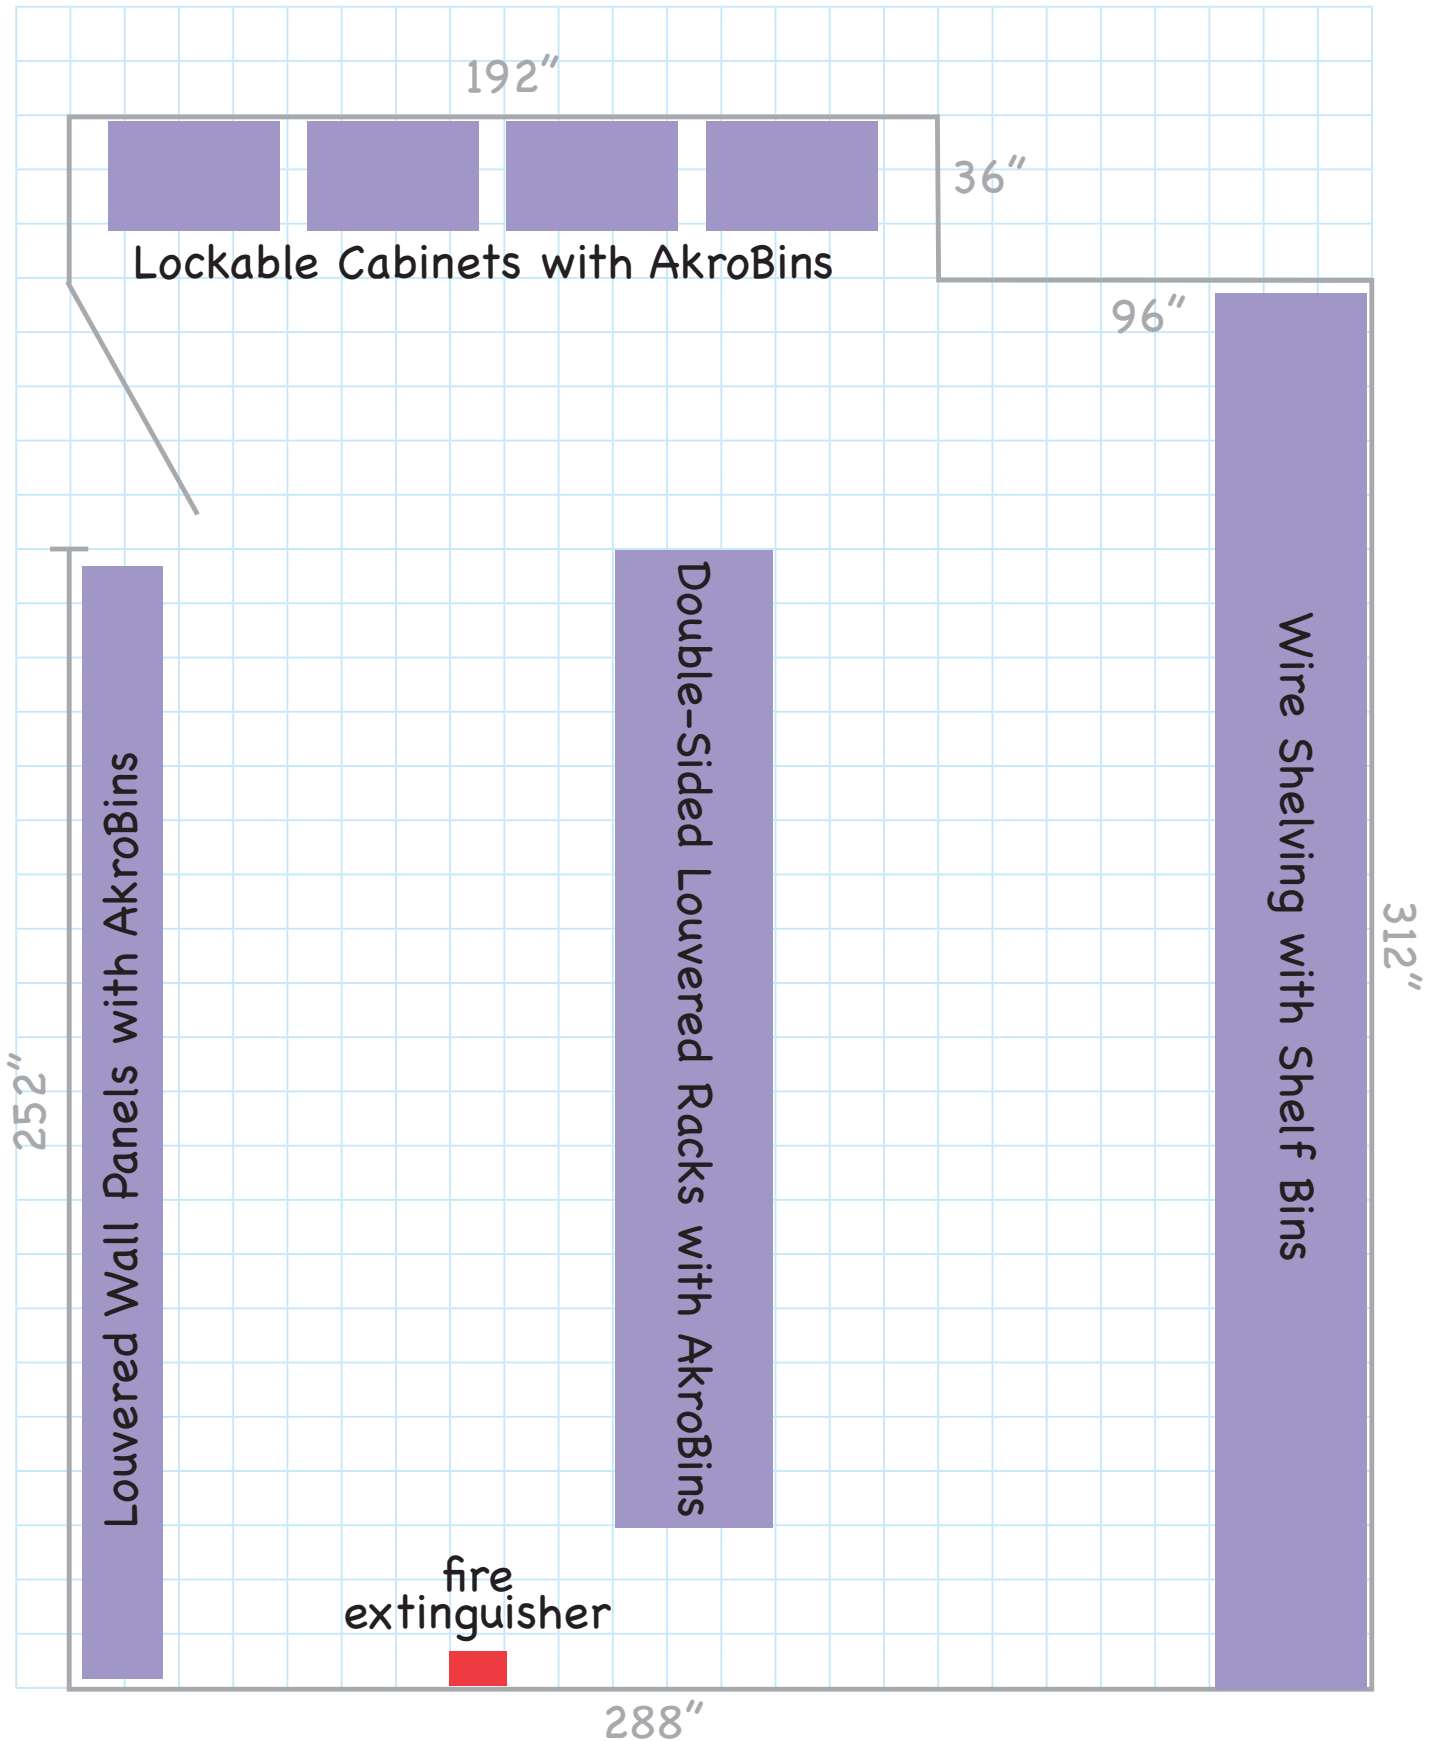

Lockable Cabinets with AkroBins® or AkroDrawers®

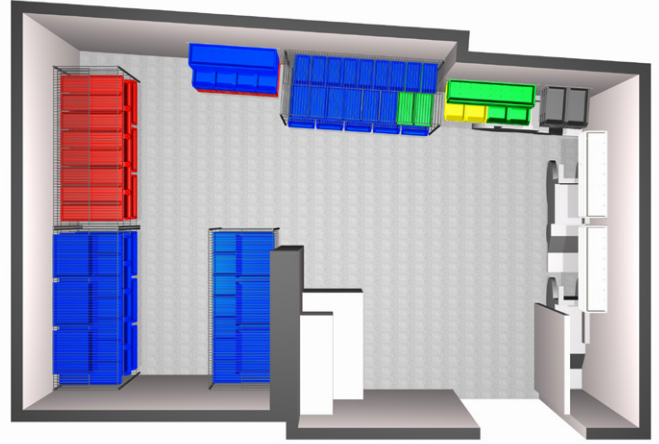

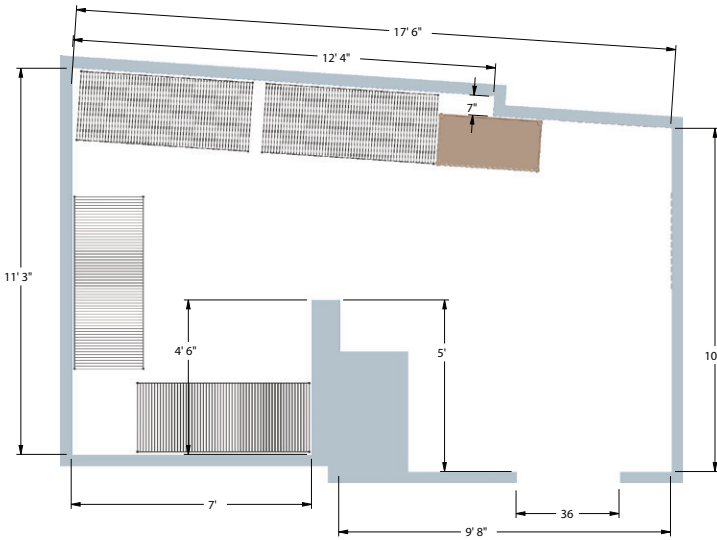

Benefits: Control access to valuable items - medications, tools, equipment, sensitive documents, and more.

- 2 Draw the dimensions of the room, and the approximate locations of the storage units. Label locations of storage systems. Estimate how many bins will be in the room, and what colors. Note any non-moving obstacles - posts, fire extinguishers, etc.

3 Ask Akro-Mils for a room rendering. Review with customer:
