

Customizable Part Retrieval

Designed for use with hang and stack bins, such as AkroBins[®] or InSight[™] Bins. Rail Racks increase efficiency by maximizing counter and work space, and ensure quick location of parts.

Organize it with Rail Racks

Features:

- Constructed of heavy-duty steel for strength and durability.
- One-sided units can be placed against a wall to save space.
- The two-sided Rail Rack model can be assembled as 12 or 16 rails.

Move it.

Store it.

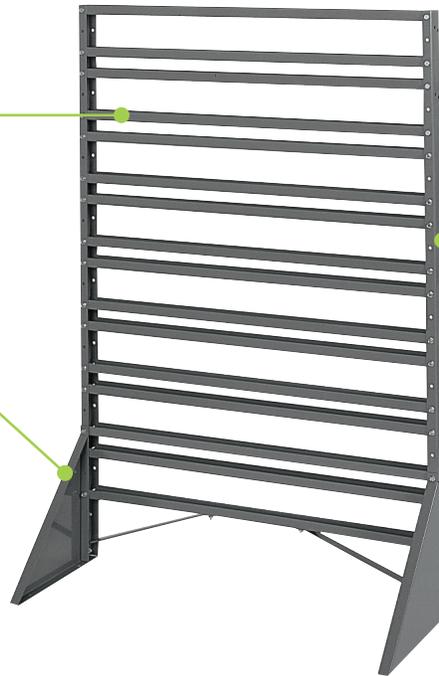

Organize it.
