

Room Layout Idea Book

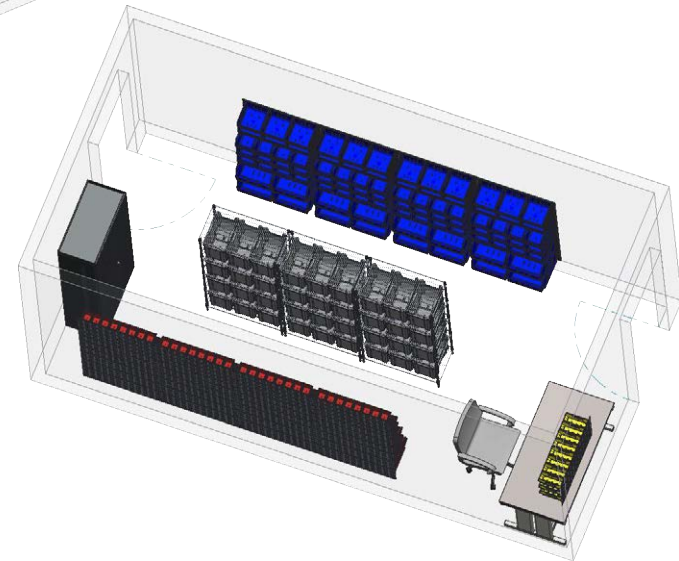

This guide provides examples of wall layouts and room layouts by our customers.

Use this to quickly select a layout that would work on your wall. If you choose to install products on only one wall, be careful to adjust the quantity of items in the provided material lists.

12' Wide Wall, Wire Shelving

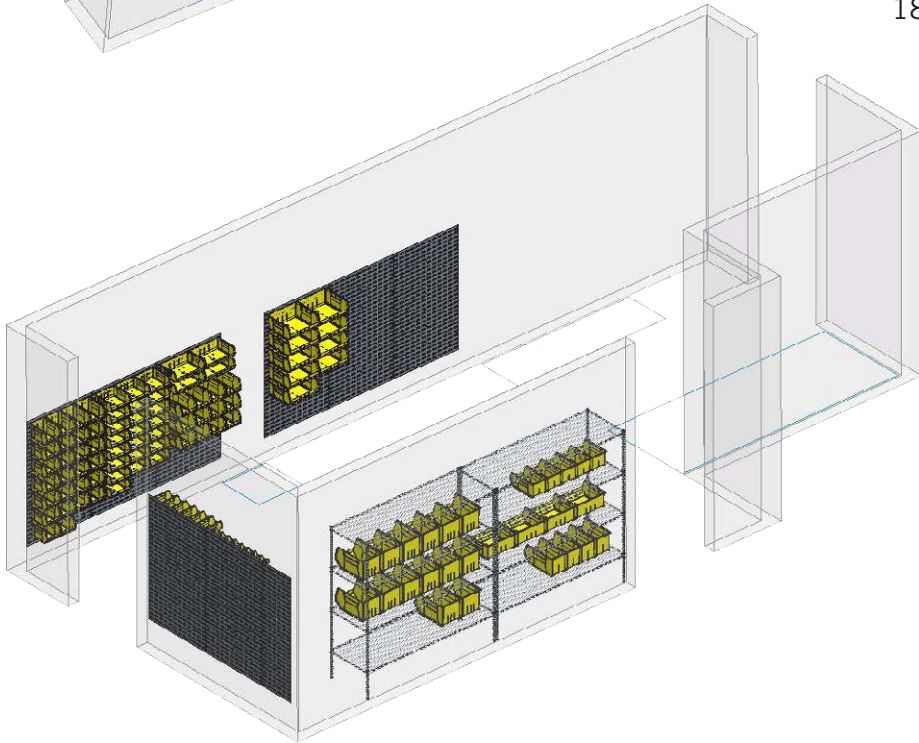

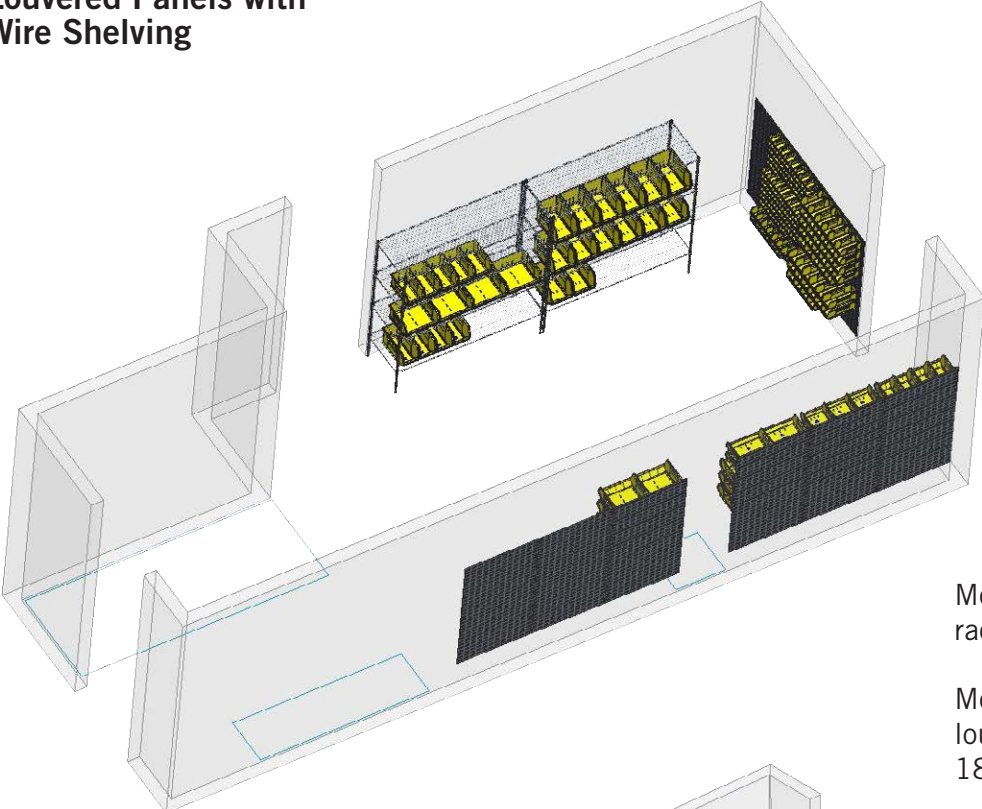

Rooms are laid out in patterns or groups. See that all the red sections are the same, as are blue and gray.

Louvered Panels with Wire Shelving

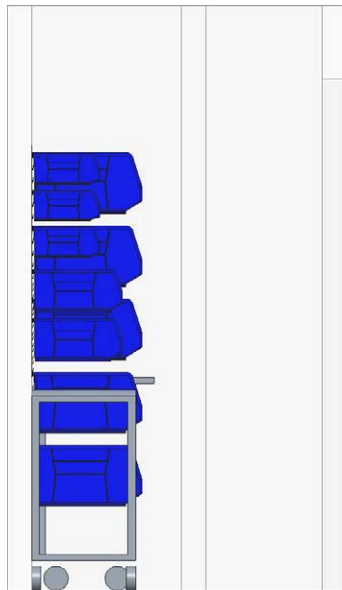

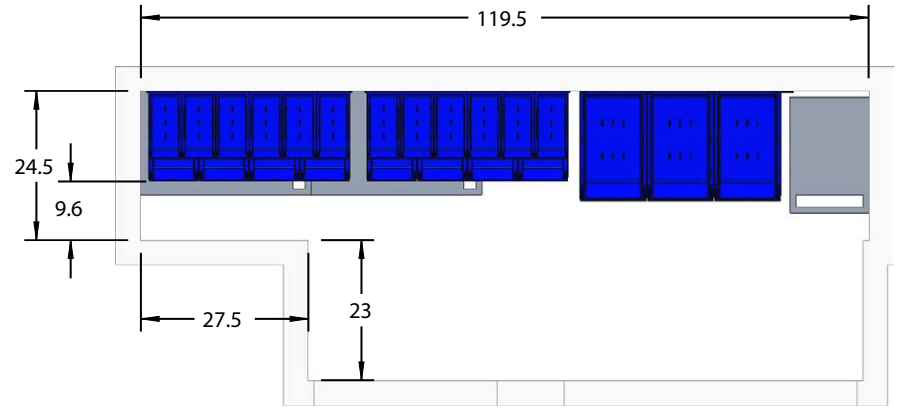

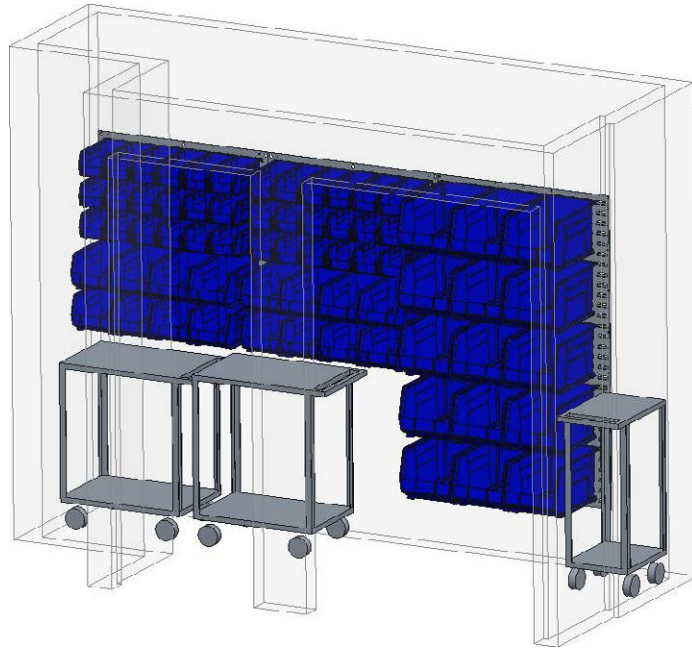

Most of our panels and racks are 36" wide.

Most people install the louvered panels 12" - 18" off the floor.
