

## Optimize Your Storeroom in 60 Minutes.

The Akro-Mils® Visualizer is an innovative online platform where you can plan, customize, and optimize your storeroom right at your desktop. In just four easy steps, you can explore design options utilizing Akro-Mils and Jamco Products and generate an accurate bill of materials to complete your project. All within an hour of your day.

### Save Time and Boost Efficiency With the Akro-Mils Visualizer

Streamline the design, experiment with multiple scenarios, and improve your storeroom efficiency with the Akro-Mils Visualizer today.

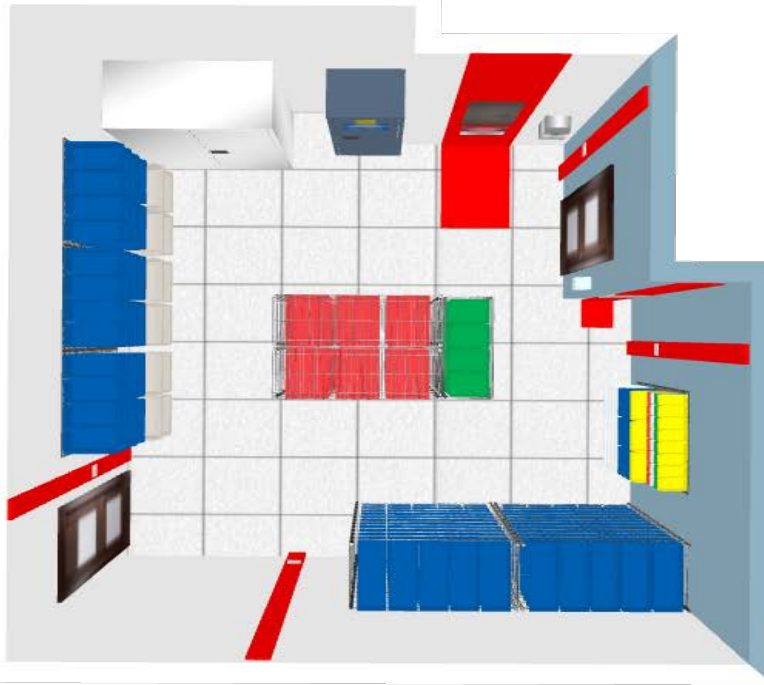

- 1 Enter your space's dimensions
- 2 Drag and drop storage products and organize to fit your needs
- 3 Step into your new space with the Visualizer's 3-D modeler
- 4 Immediately produce a bill of materials and request a quote

**Customizing your storeroom with Akro-Mils and Jamco Products is easy with the Visualizer. Our products are designed to work seamlessly together to increase your operational efficiency and safety.**

---

# How the Akro-Mils Visualizer Works

**Our 3-D images are built to scale to accurately represent your storeroom.**

---

## **1 Create Your Storeroom Space**

Choose your template and customize the dimensions to match your storeroom space. In just a few steps, you have set the stage to optimize your storeroom.

---

## **2 Effortlessly Drag and Drop Products Into Place**

Access our extensive Akro-Mils and Jamco Products catalog and quickly organize them as you see fit. Experiment with different configurations until you have achieved maximum efficiency—a place for everything and everything in its place.

---

## **3 Step Into Your New Storeroom**

Immerse yourself in a 3-D representation of your storeroom. Walk through the virtual space, examining every detail and ensuring that each product is perfectly positioned to enhance your workflow and inventory management.

---

## **4 Get What You Need Now**

Like what you see? Save it! Our intuitive software automatically generates a precise bill of materials, saving you time and ensuring you have everything you need to bring your perfect storeroom to life.
